

As we celebrate ExploraVision’s 24<sup>th</sup> annual challenge in 2016, we are pleased to announce that below outstanding teachers were identified the top 24 coaches that submitted most eligible entries. As a token of our appreciation and to award you for your commitment to science education and nurture their students’ creativity and innovative thinking, these teachers receive a Toshiba 8GB Encore tablet. We again thank these teachers for their participation in this year’s competition and we hope that more teacher will utilize this program to let their students engage in hands-on learning, problem solving, critical thinking, and collaboration program next year!
